# MARMADUKE

Marmaduke is a 90kg Great Dane who is always causing a ruckus. The family pet of the Winslows, Marmaduke has outgrown his cute puppy stage and become an accident-prone gentle giant. When the Winslows decide to move to California, the outcast pooch falls for a beautiful purebred dog named Jezebel.

But further challenges await him as he begins to understand that it's who you are inside that makes you the top dog.
